ERRATA

My decision which, issued August 30. 2012, is hereby corrected at page 7, as follows:

For the period February 8 through February 28, 2011, Petrick is entitled to back pay of \$2355.60, plus interest to be calculated. For the period of February 8 through February 28, 2011, Petrick's PTO benefit, not including interest, is \$146.34. For the period February 8 through February 28, 2011, Respondent's matching contributions for Petrick's 401(k) retirement plan participation; not including interest is \$94.23. For the period March 1, 2011, through January 27, 2012, Petrick is entitled to back pay of \$12,162, plus interest to be calculated. For the period March 1, 2011, through January 27, 2012, Respondent's matching contribution for Petrick's 401(k) retirement plan participation, not including interest, is \$486.48. Because the backpay period continues to run, the above amounts with interest must be updated and recalculated to the present.
